HRSA Application Process

Required Steps for Grants.gov Registration

Current Process

These steps **MUST** be completed prior to registering for Grants.gov:

- Register the organization with System for Award Management (SAM)
- A Unique Entity Identifier (UEI) or Entity ID will be assigned by SAM
- Designate Business Point Of Contact (i.e. Authorized Organization Representative – AOR)
- Register the organization with Grants.gov

Step 1 – System for Awards Management (SAM)

- Register with SAM
 - <https://sam.gov/>
 - **1.866.606.8220**
 - Registration is **FREE**
- What You Need to Register
 - UEI Number
 - Taxpayer Identification Number
- Renew Registration **Annually**

Step 1 – SAM.gov

Designating Electronic Business Point of Contact

- **Electronic Business Point of Contact (E-Biz POC)**
 - Critical role in the Grants.gov registration and application process
- **Marketing Partner ID Number (MPIN) password**
 - Created by the E-Biz POC
 - Used to log into Grants.gov to designate Authorized Organization Representatives
- **Authorized Organization Representatives (AORs)**
 - Designated by the E-Biz POC in Grants.gov
 - Authorized to submit applications on behalf of an organization

Step 2 – Grants.gov

Designating AORs

- Log in to www.grants.gov
- AOR must complete profile on grants.gov
 - Need UEI Number
 - SAM Registration
- E-Biz POC must log into Grants.gov to approve AOR registration
- AOR registration must be updated annually
- AOR password must be updated every 90 days
- It can take up to **4 weeks** to complete the required registration, and that's *before* you apply!

Registration Information and Application Writing Help

Provides information about steps that will help you get ready to apply:

- Get registered (SAM.gov, Grants.gov)
- Find the application package
- Application writing help

Get registered

SAM.gov

You must have an active account with SAM.gov to apply. This includes having a Unique Entity Identifier (UEI). SAM.gov registration can take several weeks. Begin that process today.

To register, go to [SAM.gov Entity Registration](#) and select Get Started. From the same page, you can also select the Entity Registration Checklist to find out what you'll need to register.

When you register or update your SAM.gov registration, you must agree to the [financial assistance general certifications and representations](#). You must agree to those for grants specifically, as opposed to contracts, because the two sets of agreements are different. You will have to maintain your registration throughout the life of any award.

Grants.gov

You must also have an active account with [Grants.gov](#). You can see step-by-step instructions at the Grants.gov [Quick Start Guide for Applicants](#).

Find the application package

The application package has all the forms you need to apply. You can find it online. Go to [Grants Search at Grants.gov](#) and search for opportunity number HRSA-25-103.

After you select the opportunity, we recommend that you click the Subscribe button to get updates.

Application Content and Format

Application contents and format

Applications include four main components. This section includes guidance on each.

Application page limit: 60 pages.

Submit your information in English and express whole number budget figures using U.S. dollars.

Make sure you include each of these:

Components	Submission format
Project abstract	Use the Project Abstract Summary form.
Project narrative	Use the Project Narrative Attachment form.
Budget narrative	Use the Budget Narrative Attachment form.
Attachments	Insert each in the Attachments form.
Other required forms	Upload using each required form.

Required format

You must format your narratives and attachments using our required formats for fonts, size, color, format, and margins. See the formatting guidelines in Section 3.2 of the [Application Guide](#).

Project abstract

Complete the information in the Project Abstract Summary form. Include a short description of your proposed project. Include the needs you plan to address, the proposed services, and the population groups you plan to serve. For more information, see Section 3.1.2 of the [Application Guide](#).

Project narrative

In this section, you will describe all aspects of your project.

Use the section headers and the order listed.

Introduction

See merit review criterion 1: [Need](#)

Provide a brief description of the overall project including proposed activities and briefly describe your organization and any collaborating organization to be involved in this project. Summarize your ability to work closely with other entities to carry out a successful LC.

Need

See merit review criterion 1: [Need](#)

- Describe your understanding of and relevant work related to the HIV care continuum, specifically how oral health integration supports improved health outcomes for people with HIV. Discuss the role of oral health in enhancing retention in care, overall well-being, and viral suppression, and highlight how the LC will address gaps in oral health care for people with HIV.
- Discuss the issues impacting the effective integration of medical and oral health care in community-based settings including those organization's dually funded RWHP and HRSA's Community Health Center's programs.
- Include examples of LCs as an effective tool for development of interprofessional training, community-based education and program development
- Discuss any relevant barriers the proposal seeks to address, such as geographic disparities, workforce shortages, and sustainability of oral health programs for people with HIV.
- Use and cite demographic data whenever possible.

Approach

See merit review criterion 2: [Response](#)

- Tell us how you will address the stated purpose and objectives and meet each of the recipient responsibilities listed in this NOFO. The response should describe how the approach aligns with the three core focus areas: community-based dental education, oral health and HIV primary care integration, and supporting and sustaining community-based dental leaders in HIV oral health care.
- Include innovative strategies, procedures, and activities for collaborating with HRSA HAB and LC participants.

Application Content and Format

High-level work plan

See merit review criteria 2: [Response](#) and 4: [Impact](#)

- Describe how you'll achieve each of the objectives during the period of performance.
- Provide a timeline that includes each activity and identifies who is responsible for each. As needed, identify how key stakeholders will help plan, design, and carry out all activities, including the application.
- The work plan should detail the steps required to implement key activities, assess needs, develop and update training materials, engage participants, and ensure sustainability
- Describe the activities or steps that will be used to achieve each of the activities proposed during the entire period of performance in the Approach section. The work plan should directly relate to the methods described in the Approach section.
- The work plan should be presented in a table format and cover the full two-year period of performance, broken out by project year. It must include:
 1. Goals;
 2. Objectives that are specific, measurable, achievable, realistic and time-framed (SMART);
 3. Action steps;

Performance reporting and evaluation

See merit review criteria 3: [Performance reporting and evaluation](#) and 5: [Resources and capabilities](#)

- **Outcomes.** Describe the expected outcomes (desired results) of the funded activities.
- Describe how you will manage and securely store data, including how you will protect data against cybersecurity threats, breaches, or other loss of data integrity.
- **Program evaluation.** Describe how you will evaluate your project. The evaluation should examine processes and progress towards goals, program objectives, and expected outcomes. Evaluations must follow the [HHS Evaluation Policy](#), as well as the standards and best practices described in OMB Memorandum M-20-12. In the description of your evaluation, include:
 - The evaluation questions, methods, data you will collect, and timeline for evaluating the program.
 - Challenges in evaluating your program and how you will address them.

Review Criteria

- Addresses the **criteria** that agency will use to evaluate applications.
- Includes the merit and other review criteria that evaluators will use to judge applications, including any statutory, regulatory, or other preferences (e.g. special populations) that will be applied in the review process.

Application review

Initial review

We will review your application to make sure that it meets [eligibility](#) criteria, including the [completeness and responsiveness criteria](#). If your application does not meet these criteria, it will not be funded.

We will not review any pages that exceed the page limit.

Merit review

A panel reviews all applications that pass the initial review. The members use these [criteria](#).

Criterion	Total number of points = 100
1. Need	15 points
2. Response	30 points
3. Performance reporting and evaluation	15 points
4. Impact	15 points
5. Resources and capabilities	15 points
6. Support requested	10 points

Criterion 1: Need (15 points)

See the project narrative [Introduction](#) and [Need](#) sections.

The panel will review your application for:

- The strength and clarity of the overall project description, including proposed activities, and the capacity of your organization and any collaborating organizations to successfully implement the project.
- How well it supports and clearly identifies the impact of oral health integration on improved health outcomes and retention in care for people with HIV.
- The strength and clarity of your understanding of the barriers to effective integration of oral health and HIV primary care in community-based settings.
- The degree to which you can describe/articulate the challenges with integrating oral health and medical care.

Selection process

When making funding decisions, we consider:

- The amount of available funds.
- Assessed risk.
- Merit review results. These are key in making decisions but are not the only factor.
- The larger portfolio of HRSA-funded projects, including project type and geographic distribution.
- The funding preferences listed.

We may:

- Fund out of rank order.
- Fund applications in whole or in part.
- Fund applications at a lower amount than requested.
- Decide not to allow a recipient to subaward if they may not be able to monitor and manage subrecipients properly.
- Choose to fund no applications under this NOFO.

Funding preferences

This program includes a funding preference, as authorized by 42 U.S.C § 300ff-111(a)(2) (Section 2692(a)(2) of the Public Health Service Act). If we determine that your application meets the funding preference criteria, we will move it up in our ranking of

Award notices

We issue Notices of Award (NOA) on or around the [start date](#) listed in the NOFO. See Section 4 of the [Application Guide](#) for more information.

By drawing down funds, you accept the terms and conditions of the award.

Application Submission Deadlines

Application submission and deadlines

Your organization's authorized official must certify your application. See the section on [finding the application package](#) to make sure you have everything you need.

Make sure you are current with SAM.gov and UEI requirements. When you register or update your SAM.gov registration, you must agree to the [financial assistance general certifications and representations](#), and specifically with regard to grants.

Make sure that your SAM.gov registration is accurate for both contracts and grants, as these registrations differ. [See information on getting registered](#). You will have to maintain your registration throughout the life of any award.

Deadlines

Application

You must submit your application by August 12, 2025, at 11:59 p.m. ET.

Grants.gov creates a date and time record when it receives applications.

Submission method

Grants.gov

You must submit your application through Grants.gov. You may do so using Grants.gov Workspace. This is the preferred method. For alternative online methods, see [Applicant System-to-System](#).

For instructions on how to submit in Grants.gov, see the [Quick Start Guide for Applicants](#). Make sure that your application passes the Grants.gov validation checks, or we may not get it. Do not encrypt, zip, or password protect any files.

Have questions? Go to [Contacts and Support](#).

Other submissions

Intergovernmental review

This NOFO is not subject to [Executive Order 12372](#), Intergovernmental Review of Federal Programs. No action is needed.

Writing a Strong Application

1. Do the **Research**
2. **Recruit** a Team
3. **Respond** to the Guidance
4. **Review** the Application
5. **Revise** as Needed

Recruit a Team

- Internal Team
 - Help draft the application
 - Talk with colleagues and partners
 - Provide honest feedback
 - Have knowledge of your organization
- Consortium/Network Members
 - Determine the roles and participation levels
 - Obtain written commitments (i.e. MOUs)
 - Consider overall network structure

Respond to the Guidance

General Tips

- Be Clear and concise
- Focus on the project activities
- Avoid jargon and acronyms
- Describe gaps in current services
- Don't assume reviewers' knowledge of your area/program
- Use current data sources

Review the Application & Revise as Needed

Be willing to use all available resources to strengthen the application.

- Grant writers
 - Advantages/disadvantages
- Other resources?

- Have I read the funding opportunity announcement?
- Is my organization eligible to apply?
- Does my organization have the technical expertise, the personnel, and the financial capacity?
- Are all stakeholders in my organization supportive?
- Is my organization prepared to do what it takes?

Write a Strong Application

Responding to a NOFO

A Good Proposal vs. A Stronger Proposal

Good

- Explains problem
- Has a lot of information, but isn't organized
- Not enough information on collaborations, staff, or objective
- Gaps in response to the review criteria
- Final only review by creator

Stronger

- Explains problem and what the organization plans on doing to fix it
- Has a lot of information, but the proposal flows and is easy to read and understand
- Describes current/planned collaborations, provides information on staff needed, clearly defines objective
- Responds to all the review criteria
- Reviewed by several people

HRSA Application Process

Common Mistakes and Important Tips

Top Ten Tips for Applicants

1. Start preparing the application early.
2. Follow the NOFO instructions.
3. Keep your audience in mind.
4. Be brief and clear.
5. Be organized and logical.
6. Show evidence of solid fiscal management.
7. Attend to technical details.
8. Be careful when you use attachments.
9. Review your application to ensure it's accurate and complete.
10. Submit all information at the same time.

Top Ten Tips for Applicants

1. Start preparing the application early.

- Complete the registration process
- Verify system access (Grants.gov, etc.)
- Review NOFO and application requirements
- Assemble grant writing team
- Attend Technical Assistance calls/webinars
- Contact Project Officer with Questions
- Submit application before the deadline

Top Ten Tips for Applicants

2. Follow the instructions in the NOFO carefully.

- All information should be placed in the order requested.
- A careful and ordered response is key because it:
 - Allows an applicant ease of review before submission; and
 - Eliminates the possibility of Reviewers having to look for information or possibly overlooking information.

3. Keep your audience in mind.

- Reviewers cannot consider outside information and will only review what is in your proposal.
- Responses should speak to the program requirements.

The screenshot shows the data.HRSA.gov website. At the top, there is a dark blue header with the HRSA logo and the text "Health Resources & Services Administration" on the left, and "U.S. Department of Health & Human Services" on the right. Below the header, the main navigation bar includes the text "data.HRSA.gov" on the left, a search bar with the placeholder "Enter Search" and a magnifying glass icon, and an "A-Z Index" link on the right. A secondary navigation bar contains links for "Home", "Find Health Care", "Data", "Maps", "Tools", "Topics", and "Help", each with a dropdown arrow. The main content area features a large banner with a group of diverse healthcare professionals. On the left side of the banner, a grey box contains the text: "Updated workforce projections data are now available. See supply and demand projections for over 100 health care occupations." Below this text is a blue button labeled "View Workforce Projections". Below the banner, the section "Health Care Services" is displayed, followed by the text "HRSA funds comprehensive and preventive health care services used by more than 28 million people." Below this text are five light blue buttons: "Find a Health Center", "Find a Ryan White HIV/AIDS Medical Provider", "Find an Organ Transplant Program", "Find Migrant and Seasonal Head Start Centers", and "Find Shortage Areas". Below these buttons is the "Explore Grants" section, which includes the text "A compilation of HRSA Grants awarded to qualified entities that provide quality health care services to those in need." and a dropdown menu labeled "Select...". At the bottom of the page, a light blue bar contains the text "Dashboards, Data Reports, and Maps by HRSA Program Area".
